Education

Stanford University. M.A. (1986) and Ph.D. (1988) in Economics. National Science Graduate Fellowship. Distinction awards on comprehensive exams.

Oberlin College and Conservatory. B.A. (1980) in Economics, B.Mus. (1980) in Piano. National Merit Scholarship. Phi Beta Kappa, Pi Kappa Lambda.

Current Positions and Affiliations

George Mason University – School of Public Policy. Professor (since August 2010).

Central European University (Budapest, Hungary; www.ceu.hu). Professor of Economics (since 2000); Assoc. Prof. (1995-2000); Asst. Prof. (1991-95). Academic Director of the Economics Department and M.A. Program (1993-95). Director of the Labor Project (www.ceu.hu/labor, since 1994). Director of the PhD Program and Hungarian Doctoral School in Economics (2003-06). Member of the Economics PhD Committee (by election, 2000-3 and since 2007).

Comparative Analysis of Enterprise Data (CAED; www.upjohn.org/caed). Member of the Executive Committee (2005-present, Chair, 2006-08) and Planning Committee (since 2008). Chair of the Scientific and Local Organizing Committees for the 8th International CAED Conference in Budapest, May 2008.

COST Network on Firm-Level Data Analysis (<http://web.ceu.hu/labor/cost>). Member of Management Committee (since February 2008); Chair (February 2008 – October 2010).

Institute for the Study of Labor (IZA). Research Fellow (1999-present).

Association for Comparative Economic Studies. Executive Committee member (by election, since 2007). President (2011).

Kyiv School of Economics. Member of the International Advisory Board (since 2003).

Institute of Economics of the Hungarian Academy of Sciences (Budapest, Hungary). Research Associate (non-resident, since 2008).

Economics Education and Research Consortium. Member of the Working Group on Households and Labor Markets (1997-present). Member of the International Advisory Board (since 2007).

Previous Positions and Other Affiliations

Upjohn Institute for Employment Research. Senior Economist (2001-2010).

Heriot-Watt University (Edinburgh, Scotland). SIRE Professor of Economics (2007-8). Research Affiliate of the Center for Economic Reform and Transformation (CERT).

Stanford University, Department of Economics. Visiting Associate Professor (1995-2000). Acting Assistant Professor (1990-94). Acting Instructor (autumn 1987).

Stanford University, Institute for International Studies. Research Associate (1995-97).

Stockholm School of Economics, Stockholm Institute for Transition Economics (SITE) and Department of Economics. Associate Professor (1997-2001).

William Davidson Institute, University of Michigan. Research Fellow (since 1996).

European Science Foundation. Member of the Pool of Reviewers (since 2008).

Journal of Comparative Economics. Member of the Editorial Board (2003-2006).

Central European University, International Summer Course on Labor Markets and the Applied Microeconomics of Transition. Course Director (1996-98).

Columbia University, Department of Economics. Visiting Scholar (1993).

University of Vienna. Visiting Professor of Labor Economics (1991).

Institute for Advanced Studies (Vienna). Visiting Research Fellow (1991).

Research and Teaching Fields

Labor Economics / Human Resources
Economics of Transition and Development
Corporate Governance and Firm Performance
Reallocation and Entrepreneurship
Political Economy and Institutions
Comparative Analysis of Economic Policies
Microeconomics
Applied Econometrics (cross-sectional and panel)
Policy Analysis and Evaluation

Other Policy Consulting and Experience

World Bank. Consultant on more than a dozen projects. Topics: measuring skills demand (2010-11); infrastructure and firm location in Europe and Central Asia (2008); productivity growth in Europe and Central Asia (2006-7); capacity-building in economics research and education (2005); job creation in Eastern Europe (2004); firm demographics and productivity in Hungary and Romania (2003-2004); Russian labor markets (2000-2002); Romanian productivity and job reallocation (2000); Romanian privatization and firm performance (2000); Russian corporate governance (1995-96); worker ownership in Eastern Europe (1994-95); privatization in the Czech Republic, Hungary, and Poland (1993); Romanian labor markets (1993).

Organization for Economic Cooperation and Development (OECD). Competition in Russia (2007-8); industry dynamics and privatization in Ukraine (2007); labor markets in Baltic States (2001); unemployment and labor market policies (1993), long-term unemployment and social assistance (1996), and social policies (1996-99) in Romania.

US Agency for International Development. Analysis of micro-enterprise growth in Romania (2000-01).

Russian-European Centre for Economic Policy (RECEP). Senior Expert (1999-2000).

Government of Romania. Economic Advisor to First Deputy Prime Minister (1993-94).

Office of Prime Minister, Mongolia. Privatization Advisor to Prime Minister (1996-97).

Government of Moldova. Economic Advisor to the Minister of Privatization (1996).

Brookings Institution. Research Fellow in Economic Studies (1986-87).

Congressional Budget Office, Fiscal Analysis Division; Washington, D.C. (1984).

Council of Economic Advisers, Executive Office of the President; Washington, D.C. Junior Staff Economist for Public Finance and Labor Policy (1982-83).

U.S. Geological Survey, Program Analysis Office. Research assistant (summers, 1981-82).

Grants and Funded Research

National Council for Eurasian and East European Research (2009-2011), for research on entrepreneurship and entry. Principal Investigator.

U.S. State Department (2009), for research on start-up firms in Georgia and Romania. P.I.

International Development Research Centre (2009), for support of workshops on firm-level data analysis and linked employer-employee data. P.I.

Association for Comparative Economic Studies (2009), for support of workshops on firm-level data analysis and linked employer-employee data. P.I.

World Bank (2008), for research on firm location and infrastructure in Russia. P.I.

OECD (2007-8), for research on industry dynamics and productivity in Russia. P.I.

European Science Foundation, COST Programme (2008-2012), for an international network of researchers on comparative analysis of firm-level data. Proposer and P.I.

World Bank (2006-7), for research on productivity growth in Europe and Central Asia. P.I.

OECD (2007), for research on industry dynamics and privatization in Ukraine. P.I.

National Council for Eurasian and East European Research (2005-2007), for research on privatization. P.I.

European Commission, Sixth Framework Programme (2005-2008), for research on Russian and Ukrainian labor markets. Partner.

Economic Research and Outreach Center (ERO) at the Kiev School of Economics (2004-2005), for research on Ukrainian enterprises. P.I.

U.S. State Department and William Davidson Institute at the University of Michigan (2004-2005), for research on reallocation in Russia and Ukraine. P.I.

U.S. State Department and William Davidson Institute at the University of Michigan (2004-2005), for research on managerial turnover. Partner.

World Bank (2004), for analysis of firm demographics in Romania. Partner.

World Bank (2004), for analysis of firm demographics in Hungary. Partner.

National Council for Eurasian and East European Research (2003-05), for research on employment reallocation and productivity growth. P.I.

British Academy (2003-04), for research on job flows. Partner (with D. Brown).

U.S. State Department and William Davidson Institute at the University of Michigan (2002-2003), for research on small firm growth in the Balkans. P.I.

U.S. Agency for International Development (2002-2003), for research on nonstandard forms of employment and unemployment in Russia, Romania, and Estonia. P.I.

CEU Research Board (2001-2003), for research on “Organizational Form, Technology, Job Reallocation, and Unemployment.” P.I.

Organization for Economic Cooperation and Development (2001) for background paper on Baltic (Estonia, Latvia, Lithuania) labor markets. P.I.

Handelsbanken (2001-2002), for research on privatization. P.I.

European Union Fifth Framework Programme (2001-2003), for study of labor market transitions and employment restructuring. Partner.

U.S. Agency for International Development (2001), for small firm growth in Romania. P.I.

ACE-PHARE Program of the European Union (2000-02), for studying restructuring in Czech Republic, Hungary, Romania, Slovakia. P.I. and Project Coordinator.

ACE-PHARE Program of the European Union (2000-2002), on higher education reform in Eastern Europe. Partner.

Ruben Rausing Fund for Research on Entrepreneurship and Innovation (1999), for research on business start-ups in Russia. P.I.

ACE-PHARE Program of the European Union (1999-2000). Grant for research on corporate governance and disclosure in Hungary and Romania. Partner.

International Research Exchange (IREX) (1999). Short-term travel grant, Russia.

Tercentenary Foundation, Bank of Sweden (1998). Grant for labor research in Estonia, Latvia, and Lithuania. P.I.

Nobel Foundation (1998). Grant to organize a Nobel Symposium on the Economics of Transition (Stockholm, September 1999).

Canadian Employment Research Forum (1998). Grant for research on self-employment in Eastern Europe and for participation in an OECD/CERF/CILN conference.

Wenner-Gren Foundations (1998). Travel grant for research in Central Europe.

Ruben Rausing Fund for Research on Entrepreneurship and Innovation (1998). Grant for research on self-employment in Central and Eastern Europe. P.I.

John D. and Catherine T. MacArthur Foundation (1997-98). Grant for research on enterprise restructuring and conversion in the Russian defense sector. P.I.

ACE-PHARE Program of the European Union (1997-99). Grant for research on privatization and enterprise restructuring in Czech Republic, Hungary, Poland, Romania, and Slovakia. P.I. and Project Coordinator.

William Davidson Institute, University of Michigan (1996-97). Grant for research on internal labor markets in privatizing companies in Eastern Europe.

John S. Earle

ACE-TACIS Program of the European Union (1996-98). Grant for research on Russian enterprise restructuring and corporate governance. Partner.

National Science Foundation of Switzerland (1996-98). Grant for research on privatization and restructuring in Russia. Partner.

Carnegie Corporation (through CISAC, Stanford) (1995-97). Grant for Project on Industrial Restructuring and Political Economy in Russia and East-Central Europe.

Center for Economic Policy Research (London) (1994). Grant for research on employee benefits provided by enterprises in Eastern Europe.

National Council for Soviet and East European Research (1993-94). Grant for research on privatization in the Czech Republic, Hungary, Poland, and Romania. P.I.

Academic Honors

National Merit Scholar

Phi Beta Kappa (Academic Honors Society)

Pi Kappa Lambda (Musical Honors Society)

Stanford University Graduate Fellowship

National Science Foundation Graduate Fellowship

Distinction awards on PhD comprehensive examinations at Stanford

Georges Lurcy Research Fellowship (at Brookings)

Fulbright Scholar (in Vienna)

Egyetemi Tanár (honorary lifetime professorship awarded by the President of Hungary)

President, Association for Comparative Economic Studies (ACES)

Professional Memberships

Academy of Management

American Economic Association

American Finance Association

Association for Comparative Economic Studies

Association for Public Policy Analysis and Management

University of Vienna, PhD-level (1)

Microeconomic Theory

Central European University, MA-level (4)
George Mason University, MPP (1)

Economic Policy Analysis, Stanford University, advanced BA-level (4)

Econometrics

Stanford University, advanced BA (1)
Central European University, MA (3)

Economics of Transition, Stanford University, undergraduate and MA (7)

Intermediate Macroeconomics, Stanford University, BA (1)

Supervision of theses and dissertations (number of students)

Ph.D. Dissertations at CEU, Principal Advisor (4); Committee Member (3)
M.A. Theses at CEU, Principal Advisor (over 60)
Ph.D. Committee Member at European University Institute; Stockholm School of Economics; Budapest University of Economics; University of Uppsala
Undergraduate Theses at Stanford (twice, special prize awarded)

Academic and Community Service

Service at the Stockholm School of Economics

Coordinator of Ph.D. Labor Economics field course sequence (1998-2000).

SITE Faculty Spokesperson (chair of faculty meetings) (June-December 1999).

Developed proposal for a Nobel Foundation Symposium on the Economics of Transition (summer 1998).

Ph.D. Dissertation Supervisor.

Member and chair, faculty hiring committee, SITE (1997-2000).

Member, SITE library committee (1997-2000).

Advisor on long-term planning and the development of research at SSE-Riga (1997-99). Wrote proposal to improve curriculum, including a stronger economics course sequence and an “honors program,” and to develop local faculty.

Recruitment of students to the SSE Ph.D. program from Central and Eastern Europe.

Organized system of faculty committees at SITE.

Presentation to the East-Finance Group on “An Overview of the Romanian Economy,” Stockholm (November 1997).

Presentation to Volvo executives and Swedish Ambassadors to Central and Eastern Europe and the Former Soviet Union on “Recent Economics Developments in Central and Eastern Europe,” Rosared, Sweden (August 1997).

Positions held at the Central European University (CEU)

Member of Economics Department Ph.D. Committee, by election (2000-3 and since 2006).

Director of the PhD Program, by appointment of the Rector (2003-6).

Director of the Labor Project (since 1994).

Chairman of the Junior Faculty Search Committee in Microeconomics (2004-5 and 2005-6).

Chairman of the Junior Faculty Search Committee in Macroeconomics (2005-6).

Member of the Senior Faculty Search Committee (2004-2007).

Member of university-wide task force on fund-raising (October-December 1999).

Director of International Summer School on Labor Markets and the Applied Microeconomics of Transition (1996-98).

Member of steering committee for the selection of a Director of Computer Services (1996).

Member of University Committee for the Library (October 1995 – June 1997).

Member of University Committee for Computer Users (October 1995 – June 1997).

Acting Director and Academic Director of the Department of Economics and the M.A. Program in Economics (Jan 1993 – Aug 1995). Responsible for organizing recruitment and admission of students; hiring of faculty, teaching assistants, and administrative staff; organizing faculty meetings; proposing and implementing changes to curriculum; and establishing grading, academic standards, and other procedures.

Member of the CEU Academic Senate (1992-95).

Member of the Committee on Grading Policy (1992-94).

Member of Committee on the Academic Code of Conduct (1994-95).

Member of the Prague College Council (1993-95).

Member of Prague College Academic Forum (1993-95).

Member of Prague College Disciplinary Committee (1991-95).

Chairman of “Ad-Hoc Committee on the Economics Library Collection” (1995).

Member of University Committees for Library, Computer Users, and Chorus (1995-96).

Deputy Director of CEU Privatization Project (October 1991 – September 1996).

CEU Department and University Service

Organized the effort for accreditation of the CEU M.A. Economics Program (1993-1995). Wrote all the substantive sections of the accreditation proposal.

Recruitment and interviewing trips on behalf of the CEU Economics Program to Estonia, Kazakhstan, Kyrgyzstan, Latvia, Lithuania, Montenegro, Poland, Romania, Russia, Serbia, Ukraine. Raised the number of applicants from 150 in the first year to 630 in the fourth year.

Coordinated the development of the economics collection at the CEU library in Prague, including large donations of journals and books from Stanford University faculty members.

Wrote descriptions of the purpose and curriculum of the Economics Program for diverse CEU and Open Society publications.

Initiated and organized mathematics tests for applicants to the Economics Program.

Gave lectures, short courses, and thesis evaluations at the CEU Departments of Legal Studies, European Studies (International Relations), and Sociology.

Wrote analyses of cost-of-living to support University decision-making on student stipends.

Managed the move of the CEU Economics Department from Prague to Budapest.

Involved many economics students in personal research, both as assistants and as coauthors (more than 20 coauthored papers with students and graduates of the Economics Program).

Organized and funded internship program for CEU graduates at the Center for International Security and Arms Control, Stanford University (six students over the 1994-96 period).

Designed several improvements to the Economics Program curriculum and a complete revision of the curriculum for a two-year program.

Organized CEU Economics Program Alumni Association and several reunions and seminars for graduates of the Program.

Evaluated economics programs and curricula of regional universities for HESP (the Higher Education Support Program of the Open Society Institute). Assessment trips: Siberian Independent University (1995); Novosibirsk State University (2005).

Presented lecture on the design of economics curricula and the organization of M.A. programs in economics for visitors from the Kiev Mohyla Academy (April 1995). Met with visiting academics to discuss similar issues on multiple occasions. Assisted the Center in compiling information on economics programs.

Upjohn Institute Service
